HONG KONG STUDIO POLICIES

Class Packages

- We charge an extension fee of HKD 100 for every additional month (only applicable to per class packages if it has not yet expired).

In-Studio Classes

- Please arrive 15 mins early for your first class, so you can register, sign the waiver and tell us about any injuries. First-timers who arrive late will not be permitted to join class and will be marked as absent.
- Regular students can enter class (i.e. dressed in fitness attire) up to 5 minutes past start time, and need to warm up with 60 knee lifts before joining the rest of the group.
- Wear comfortable fitness attire and bring a small towel and water.
- Grip socks are mandatory for hygiene and safety reasons. Feel free to bring your own, or plan to purchase a pair at the studio.
- We have a 6-hour cancellation policy on all in-studio classes. No-shows or cancellations received outside the policy window will be charged HKD 200 for clients on unlimited subscriptions or will warrant their credit forfeited for those with class-by-class packs.

Livestream Classes

- Please log on 5-10 minutes before class starts to allow time to settle in and make sure to select "Join Audio". New clients may be admitted a few minutes prior to class so the teacher may be informed of any injuries. Clients who arrive over 5 minutes late will not be permitted to join and will be marked as absent
- Equipment is optional, though a mat, light hand weights (or equivalent) and a ball are recommended for added challenge and dimension. You will also need a stable surface to hold on to, such as the back of a chair, countertop or simply a wall.
- We have a 4-hour cancellation policy on all livestream classes. The aforementioned no-shows or cancellations penalties may apply.

Inclement Weather

- Should the Hong Kong Observatory issue a notice about a Black Rainstorm or Typhoon 8 or above warning signals, all classes for the day may be cancelled without charge. Please email shake@barre2barre.com for the latest updates.
